

Workshop “Academic Writing and Presentation Techniques”

In this workshop students from abroad will learn about what is expected from them in seminars, presentations and research papers. The overall goal is to improve their skills in academic writing according to the German academic standards.

Workshop Content:

- Academia in Germany
- How to write an academic paper (from idea to text, search for sources, how to structure the text, proper referencing; formal guidelines, language and style)
- How to write and give a presentation (structure, visualizing, presenting)

The workshop is divided into three parts. Part 1 provides a short introduction to academia in Germany as well as culture and etiquette in German universities. Part 2 consists of theory as well as practical exercises. Students learn and understand the process and requirements of academic writing. In part 3, participants learn how to write, structure and visualize a presentation as well as how to actually present it.
